The New York Times

Is RIGHT

And we can tell you that the Big Holiday Trade is in full swing right here, at Greenhut's.

We'll venture to say that we're going to do the greatest business we have ever done during the 20 years since our foundation.

We're going to strain every nerve to do it. Our old friends will all be here. That we know. We want to make new ones—and in multitudes. We want to see them and their families here.

Most particularly do we invite the little ones, for whom we have special regard, and for whom we have prepared a veritable feast of splendid attractions in Toy Town.

Come in—do—we're prepared as we never were before. Be welcome. Make yourself at home at Greenhut's.
